

BAMBOROUGH PONY STUD

“GLENORINE” COWRA NSW

The stud was founded in 1969 and produces Welsh Mountain, Welsh, Part-Welsh and Riding Ponies. The emphasis has always been on the production of show quality ponies with movement and placid temperaments.

The stud began with the beautiful galloway mare, Bambalina, who was a Thoroughbred/Welsh cross. Bambalina left a great legacy in the stud through three daughters, which were the foundation of the Riding Pony, Part-Welsh and Saddle Pony sections. Many descendents of this great mare are still successfully shown in Bamborough's current show team.

In 1993, our interest in Welsh ponies intensified during a visit to the UK. While at the Royal Show, a colt foal was noticed on the winning mare Boston Bodecia. Boston Bittermint (imp) (by Varndell Right Royal) was purchased and arrived in Australia in January 1994. Bittermint has proven himself many times through his progeny, as the sire of extremely successful ridden Ponies and Galloways.

It then became time to find another stallion to cross over the Bittermint daughters. The colt Eyarth Tigra (imp) was found at the Eyarth Stud in Wales, and he arrived in Australia in 2001. Tigra was by the Royal Welsh Champion Carved Charmer and out of the beautiful mare Eyarth Arabella. Tigra crossed very well with the Bittermint daughters and proved himself as a sire of successful colts and fillies, producing the full brothers B. Paramount, B. Academy and B. Oscar. Sadly, Tigra passed away in June 2010. However, his sons B. Oscar and B. Pick Up, who have been retained by the stud, are proving to be breeders of lovely Welsh and Part Welsh ponies.

More recently, we have been very fortunate to find yet another outstanding Welsh stallion in England, ThistledownWicked.

He is by the success Royal Welsh Show Champion Paddock Sahara and out of a lovely mare, Thistledown Golden Lustre. He has proven to be a fantastic match for our mares, producing some lovely foals who have been very successful in the show ring.

We have a select number of Welsh Mountain ponies that carry some of the best bloodlines. Although only a small herd, they have been successful in the show ring and produced many winners. We have been lucky enough to use the highly acclaimed stallion, Llangollen Top Notch and thank Melissa McVeagh for her generosity in allowing us to have him for several years. We loved him so much we purchased his full brother, who will run with the herd this year.

Rathowen Paragon joined the stud in 2011. We have always been big fans of his sire, Courtland Boy Blue and he is out of a lovely mare. Paragon is a quality Riding Pony stallion with extravagant movement, a trait he has passed onto his progeny. He crossed very well with all our mares. We have done very well with his offspring in the ring. Paragon now resides in Victoria.

Bamborough Pony Stud has sold many ponies who have gone on to have some very successful careers with their new owners, including B. Paramount (shown by Helen Dohan and the Jones-Ryan family), B. Mickey-J (Ada Spring), B. Lady Jessika (Clive and Jennifer Hastie), B. Regalia (Ayshia Noy), B. Epic (Alison Gill), B. Sabrina (Darren Berle), Bamborough Country Style (Courtney Bird) and Bamborough Mercury (Arielle Stella).

I would like to thank anyone who has had any involvement with Bamborough ponies over the years, including riders, handlers, and helpers. Good luck to all the new owners of Bamborough ponies and I hope you really enjoy them.

ROBERT GRANT
